

## Save the STARDUST Campaign - UPDATE

The Stardust Drive In Theatre is working towards the funds for the switch over from 35 mm film to Digital. As of January, 2013 the film companies will no longer have new releases available in the 35 mm format that projectors run on - making them obsolete. We have found that it is getting more difficult to find movies in the 35 mm format already. This conversion has a cost of \$60,000-\$80,000 (up to \$100,000 for 3D). This is an impossible feat for a 3 1/2 month operation, such as the Drive In Theatres, to reach on their own. That is why we must turn to our communities and patrons for assistance. Don't let "Daddy, What's a Drive In?" become a reality...

On-going fund-raising is in place:

- ▶ 2nd Car Wash Fund-raiser - this one is being held Saturday, August 4th in Manitou at the Convenience Store located at the North end of Main Street.
- ▶ Selling "Save the Stardust" cards for \$2 or donation - write your name and/or comments on them. Hoping to COVER the Stardust Drive In walls!
- ▶ We now have "I ♥ STARDUST" glow in the dark rubberized bracelets for sale!
- ▶ "I Watched a Movie on the Big Screen Under the Stars" T-shirts will be available VERY shortly! If you are from a distance, we can even ship them out to you for your convenience.
- ▶ Steak, Spud and Sud fund-raising supper at Rock's Bar & Grill in Morden on Saturday, September 15th (5-8 pm) with Rainbow Auction & 50/50 Draw - tickets will be available shortly!
